behance.net/palashbharadwaj3

Profile · UI/UX designer bringing a user-first mindset and 3.5+ years of cumulative customer-facing experience across student admissions, US healthcare talent acquisition, and travel sales. Skilled at listening for needs, clarifying choices, building trust, and guiding people through complex decisions. Now applying that experience to thoughtful digital product design.

PROFESSIONAL EXPERIENCE

Senior Art Consultant

25 Jul 2025 – 7 Aug 2026

Reyansh Rahul Art Academy

- Advised prospective students and families on art programmes aligned with their interests, skills, and career goals.
- Led one-to-one counselling and admissions conversations, supported enrolment targets, and maintained relationships throughout the decision process.
- Partnered with marketing and academic teams on workshops and events; reviewed admissions trends and prepared reports to inform retention and growth.

Senior Talent Acquisition Associate

27 Jun 2023 – 6 Oct 2023

Cynet Health · US healthcare recruitment

- Supported end-to-end recruitment for healthcare roles through sourcing, screening, interview coordination, and candidate placement.
- Worked with hospitals, clinics, and healthcare clients to understand hiring needs and present qualified candidates.
- Coordinated credential verification, offer discussions, onboarding, and accurate applicant-tracking records while maintaining positive client and candidate relationships.

Talent Acquisition Associate

22 Feb 2021 – 25 Mar 2022

Cynet Health · US healthcare recruitment

- Sourced, screened, and placed healthcare professionals against client requirements.
- Maintained client communication, recruitment documentation, and compliance checks, coordinating with internal teams to keep hiring on track.

Travel Sales Consultant

21 Feb 2019 – 31 Mar 2020

Prosperity Travels Ltd

- Planned and booked domestic and international travel, including flights, hotels, holiday packages, and travel insurance.
- Recommended options around customer preferences, budgets, and itineraries; managed reservations, changes, cancellations, refunds, and after-sales support.
- Worked toward sales targets through consultative recommendations and relevant add-ons while resolving travel queries and building repeat relationships.
